Fail vote on a new swim pool

The Granite City Park Board will submit to a special election a proposal that bonds be sold to finance construction of a new swimming pool and other park improvements. It was announced Friday.

A tentative date of Oct. 14 has been set for the referendum on a bond "package" of \$1.9 million, although board officials said the final amount will depend upon recommendations of a Citizens Advisory Committee which is to study the proposed improvements.

Bulk of the bond proceeds would be used for construction of a new swimming pool, bathhouse and adjoining parking lot at a cost now estimated at \$1,552,991.

Other improvements would include construction of new tennis courts and improvement of existing courts, resurfacing of the Wilson Park basketball court along Benton Street, lighting of ball diamonds, improvements to the ice rink

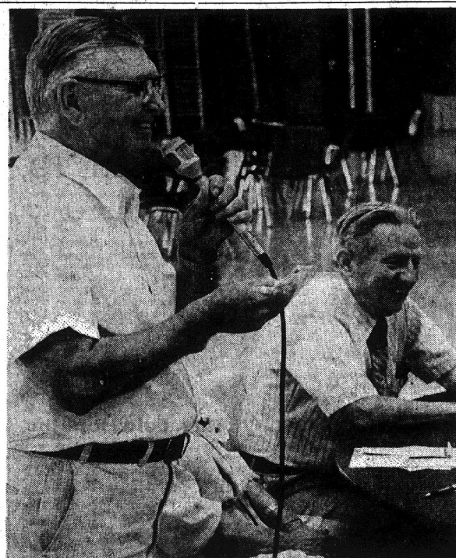

and expansion and improvement of playground facilities.

The advisory committee, headed by Carl Mathias, Granite City area service manager of the Illinois Power Co., is expected to study the proposals soon, possibly this week, with a view to making recommendations to the Park Board as to whether all of the projects should be undertaken, or some of them held in abeyance.

Mathias said Friday he is awaiting a report from the Park Board stating its position in the necessity of the improvements, and which of the projects have priority rating.

"The Park Board will have the ultimate say in listing projects it wants to finance, but the committee expects to study the extent of the need and the cost factors and make its recommendation to the park

Alaskan air crash fatal to Macios

Gerald Joseph Macios, 24, of Granite City, a forester with the U.S. Forestry Service in Alaska, was killed Friday evening in the crash of a Weber Airlines seaplane off Point Baker, north of Prince of Wales Island.

The young man was flying from Labaucher Bay, across the Summer Straits to Ketchikan, Alaska, where he resided. Wreckage of the plane and four bodies have been found. Mr. Macios was not among those whose bodies were recovered.

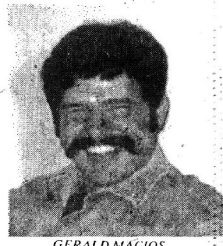

His parents are Mr. and Mrs. Fred (Angelina) Macios, 2132 Waterman Ave. His father said today the family was notified Sunday that further search of the area of the downed plane was discontinued yesterday. The crash occurred over water.

A further call this morning said that Gerald was presumed to have perished in the crash. There were no survivors.

The aircraft was an inter-island "bush type" plane, with 11 passengers and the pilot on board.

One report received by the family indicated there may have been an explosion on board the aircraft, which was able to land and float on water, if only partially disabled.

The crash occurred about 15 or 20 minutes after takeoff. The area was lightly shrouded with fog at the time, it was learned.

GERALD MACIOS

Mr. Macios was returning from the Labaucher Bay area, where he was engaged in marking boundaries for commercial logging operations, part of the Forestry Service's conservation procedures.

The service is under the U.S. Department of Agriculture.

News of the crash was received by a family member Saturday evening, while the parents were in the Missouri Ozarks. Mr. and Mrs. Macios are planning to fly to Alaska.

Gerald was born in Granite City, educated in the local public schools and graduated from Granite City High School South in 1972.

He attended Southern Illinois University at Edwardsville for two years, then transferred to SIU at Carbondale, from where he received his degree in 1976.

While at the university, Gerald was employed for three summers at Granite City Steel, working on the labor force in the North Plant, blast furnace and BOF areas.

He was a member of the Polish National Catholic Church in Madison, St. Sigma Pi Fraternity, the Society of American Foresters and the Forestry Club.

Beside his parents, Gerald is survived by a younger brother, David Macios, a student at the University of Montana at Missoula, Mont.; his grandfather, Joseph Fernandez of Fairmont City; and many aunts and uncles.

'Reimbursement' sought, telephone transcript shows

A federal transcript of a telephone conversation quotes Madison Alderman Ronald Grzywacz as saying he wrote to Sheriff John Maeras asserting that "if you don't reimburse me with some money financially, somewhere along the line, that we all may be up in front of the grand jury."

The 1976 telephone conversation was secretly recorded by the late Walter Young, former operator of a bawdy house on Collinsville Road in Madison County. Part of the transcript follows:

Grzywacz: "Well, I'll tell you what I hope, like I told you once before, I hope these sons of guns have to pay the price that I did."

Young: "Oh, I'll tell you, Ronnie, The anguish that they put me through the last three years."

"They ain't got enough money to make up for that to me. I mean they really haven't."

"Because, you know yourself. Hey, it was a constant worry, sweat, nervousness. Hey, I go out and cut the darn grass."

Y: "And I'll be cuttin' that grass, sayin' boy, in another hour I'll have it done. And boy, it's lookin' good."

"And then I'll get to thinkin' about that IRS and I'll sit down and say to heck with it, then jerks might take this away from me."

G: "Yeah. You know I've done the same thing. You know I walk around (inaudible)."

Y: "Right." G: "And uh, ya know, I know they've been around askin' people questions."

Y: "Uh huh." G: "And it bothers me to think that I paid back a couple thousand dollars to attorneys and tax lawyers and everything."

G: "And it's costin' me about nine-hundred dollars this year, just..."

Y: "Boy." G: (Inaudible) "Away, ya know, and these sons of guns are runnin' around laughin'."

G: "Havin' them a good time, goin' to Vegas." Y: "Right."

G: "Just partin' and havin' a good time. And here I am sufferin' from somethin' that I shouldn't have, you know."

Y: "Right." G: "Someone should've come to my aid."

Y: "Right, I, hey that's the same way I felt."

G: "Ya know, and I think to myself, boy. Here these sons of guns are back around investigatin'."

"I'll tell you what, Walker."

"I hope they come and talk to me, because I can't wait."

"I am gonna sit down and, if they ask me anything about Big Jen down here, man, I'm gonna say wait a minute now."

"Let me tell you the whole story behind that thing. I'm gonna tell 'em about everybody—all these guys on the police department that went in there and got money and booze and girls and everything else."

Y: "Right." G: "I'm gonna tell 'em the whole thing, ya know."

"Hey, you know what it gets down to, Ronnie? Hey, it's who can tell 'em the actual truth that they can check on."

G: "Well, I know the..."

"That's what it amounts to."

G: "The truth, because I've been there."

Y: "I know that."

G: "You know."

Y: "I know that."

G: "I've been on both ends of that son of a gun, and uh it just wasn't worth it."

Y: "Right, ya know, when somebody gives somebody advice, they can listen to it and forget it. Or they can listen to it and try to heed it."

G: "Right."

Y: "But these jerks are gonna set that whole county on fire down there."

G: "Well, I hope that, uh, they play that game with Gary Burns now. If they'll listen to that son of a gun."

Y: "Well, I'll tell you what I honestly believe. See, I know what you can do to 'em."

Y: "Uh huh."

G: "You know, with people down there."

Y: "Yeah."

Study age 21 drink law

Possibility of a city ordinance that would make it illegal for Granite City tavern operators to sell drinks to anyone under 21 years of age is among topics that were being discussed in a meeting of all Granite City liquor licensees and Mayor Paul Schuler in the city hall this morning.

The closed meeting, was called last week by Mayor Schuler as the city liquor

license control commissioner, convened at 10 a.m. in the council chambers on the third floor of the city hall.

The mayor said he had called the meeting to emphasize the necessity of cooperation by tavern owners in keeping down vandalism and disturbances which have had increased noticeably in recent weeks, much of it in the downtown area.

Unless conditions improve, enactment of a "21-year-law" limiting the sale of drinks to persons 21 years of age or older is a "drivable alternative," the mayor told the Press-Record.

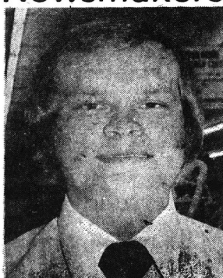

The present state law permits sale of beer and wine to youths 19 or older, but arrests in recent tavern disturbances have involved youths in the 17 and 18 year age

bracket in many instances.

At the present time, he said, "I intend to stress the absolute necessity of compliance with the law in sale of drinks to minors. I will insist on strict compliance with the law in every way."

"We must have enforcement of the law if we are to guarantee the safety of Granite City residents," the mayor added.

Newsmakers

As a Granite Cityman, Manager Gary R. Johnson is a close link—up of many—between the Quad-City area and its mammoth Central Hardware Co. store in the Crossroads Shopping Center, Nameoki Road near West Pontoon Road.

The store's staff of 85 includes many local residents. And the 66,000-square-foot retail enterprise itself is another tangible link between this community and Maurice Chambers.

Long active in the top leadership of Intero, parent company of Central Hardware, Chambers also served on the Granite City Steel board and now is a member of the board of directors of National Steel Corporation, which acquired Granite City Steel in 1971.

Johnson (pictured), a Granite City high school graduate, serves as vice-president of the Crossroads Association.

Associated with Central Hardware for four years and at the Granite City store for three of those years, he is enthusiastic about the store and company, and sees hardware retailing as his lifelong career. His previous experience included managing the former Schermer-Essen hardware store here.

"Our major challenge is to continue improving customer service and expanding our wide selection of merchandise offered at fair prices," Johnson comments.

Interstate 270 bridge collision kills two today

Two Missouri young people were injured fatally when their auto was struck by a pickup truck and then a tractor-trailer on the Interstate 270 Mississippi River bridge near Riverview Drive in St. Louis at 1 a.m. today.

Dead are Gerald Dean, 25, of St. Louis County, and Lynn Murray, a 17-year-old Jennings, Mo., girl.

St. Louis detectives said evidence indicates two carloads of youths were coming toward Illinois to go swimming when Mr. Dean's 1971 Corvette went out of control while passing a tractor-trailer, spun and came to rest in the eastbound passing lane.

The car's lights went out and the auto then was struck by a pickup truck which failed to see it in the passing lane.

The impact pushed the Corvette in front of the tractor-trailer, which then went on top of the car, dragged it about 100 yards and came to rest with the tractor of the 72,660-pound truck on top of the car and the victims.

A St. Louis rescue squad required nearly an hour to free the victims and clean up operations took several hours, an officer said.

More talks due in laborers' strike

Arrangements for further contract talks between Laborers Union representatives and the Southern Illinois Builders Association were being arranged today after the Laborers Southwestern District Council rejected a three-year contract proposal Sunday.

The office of Wayne Barber, executive manager of the SIBA, said today that another meeting has been agreed upon, but that a date has not yet been set.

The contract rejection by the district council Sunday was the second in the past week. The proposal considered Sunday, however, included a concession by the contractors that would require the contractors to hire laborers from the nearest union local. The contractors had sought a contract term that would permit them to hire employees from locals outside the immediate area.

Byron Farrell, one of the negotiators for the SIBA, said, "This was one of the biggest items we wanted." He said that negotiators had been told in contract talks that if the contractors would drop that item, they probably would get a contract.

The contractors are seeking to reduce overtime from double time to time and one-half on weekdays and Saturdays when laborers do not work a full week. The builders association also wants a flexible lunch period so that laborers would not be paid a full hour of overtime when projects require them to work during part of the lunch period.

Farrell said he plans to file suit against Granite City Local 379 and East St. Louis local 100 that have placed informational pickets at his company's office and one of his construction projects.

The lines were put up at Hickamp Excavating and Construction Co. in Wood River and at the Civic Memorial Airport site at Belhato. Hickamp uses laborers from Wood River Local 338 which split from the other locals and approved a contract.

The laborers strike was in its 28th day today and has shut down an estimated \$200 million in construction work in a 12-county area.

Postal strike still uncertain

Threat of a nationwide postal strike continued today, but area postmasters said they have no knowledge except word that comes out of Washington.

Union officials showed no signs of backing off Sunday while Postmaster General William F. Bolger continued in his refusal to reopen negotiations.

While leaders of the three major unions representing postal workers met with federal mediators Sunday, Bolger said he personally did not believe there will be a postal strike, but admitted that "everybody has to be prepared for the eventuality."

A strike could develop possibly by midnight today, and Bolger said he has contingency plans which include use of federal troops to keep the mail moving.

Bolger's stand is bolstered by a U.S. district restraining order which was issued Saturday which forbids the unions from striking.

Woman, 18, raped

Madison County sheriff's deputies are continuing to search for a young man who broke into a home on McCambridge Avenue near Madison Wednesday night and raped an 18-year-old woman.

The victim said she was awakened by a man standing over her bed holding a knife to her throat. He ordered her to get out of the house and enroute, she slapped him and he struck her face, knocking her to the floor.

She said the man then dragged her outside to the garage and forced to perform sex acts. The victim said she kicked the man several times and bit him, but he beat her severely, causing her face to become bloody.

She managed to break free and ran to McCambridge Avenue, where she was able to flag down a passing motorist, who took her to the Madison Police Department.

She described her assailant as about 5 feet, 8 inches tall, weighing about 165 pounds and wearing a red and white ski mask, green Army jacket and blue jeans. She said she was unable to determine his race.

Mrs. Eula Hopkins, 63, dies

Mrs. Eula Mae Hopkins, 63, of El Monte, Calif., formerly of Granite City, died at 4 p.m. Friday at a Los Angeles hospital.

She had been ill for the past two years and was a hospital patient about two months.

Mrs. Hopkins was born in Piedmont, Mo. She had lived in Granite City and Madison more than 30 years before moving to California 32 years ago.

She is survived by four sons: Robert, Ronald, Norman and Thomas Wickley, all of California; three daughters, Sandra Lascona, Joyce Agagianian and Kay Win Madrigal, all of California; a brother, Raymond "Pete" Allen of Granite City; two sisters, Mrs. Julius (Lacelle) Sobczak and Mrs. Jerome (Edna) Rider, both of Granite City; 32 grand children and five great-grandchildren.

Kovach wounded at store

Alex Kovach, 56, operator of Kovach Candies, 2196 Washington Ave., is recuperating from a gunshot wound suffered at the store at 9:35 a.m. Saturday. A .22 caliber pistol was used by the assailant.

Wounded in the right side of the neck, the businessman was hospitalized and has been described as being in satisfactory condition. He resides at 3279 Franklin Ave.

Kovach told authorities he had been having an argument. He asked that they not file charges against an individual, who was released from custody Saturday afternoon.

Police on patrol had stopped to aid Kovach when he stepped into the street, waving his left arm at them while holding his right hand against his blood-covered throat and neck.

Nestle extends partial shutdown

A partial production shutdown at the Nestle Co. instant tea plant, 2101 Adams St., is in effect through this week according to Manning Kilton, manager of personnel services.

Kilton said that the partial shutdown has been in effect since the last shift on Friday, Aug. 4. He said that it was a regular three-week vacation shutdown during which employees could take their vacations or a leave of absence if they had no vacation time left for this year.

The present shutdown affects all employees except maintenance personnel and high seniority personnel.

A four-day shutdown of the plant occurred the week of July 3 with all employees being paid for the July 4 holiday, but not working on July 3, 5, 6 or 7.

The plant is the largest instant tea manufacturing plant in the world.

\$14,800 taken in burglary

An estimated \$14,800 in cash and checks were stolen during a burglary at the mobile home of Mickey Edwards, next to Joyce and Mickey's Tavern, 18th Street and Delmar Avenue, between 5 and 7 a.m. today.

Mrs. Edwards said she left to open the tavern about 5 a.m. and the box containing the receipts from the previous day was in the mobile home. When Mr. Edwards awoke about 7 a.m., he found the front door had been forced open and the money and checks had been taken.

Woman raped by man who invades home

A 21-year-old woman in the 2100 block of Edison Ave. was assaulted and raped in her home at 11:35 p.m. Friday.

The victim told the police a man came to her home first and inquired about where another party lived. He then left.

About 15 minutes later, she related, she was in her kitchen, heard a noise and went into the living room where the man was standing.

The two fought and he repeatedly slapped her and

threatened her with a knife if she was not quiet, she told police.

After the man raped his victim, he reportedly left by the rear door running, police said. She then went outside and screamed for help.

The man was described as a white male, about five feet, eight to ten inches tall, of medium build with brown fuzzy shoulder-length hair, wearing a dark t-shirt and blue jeans.

Former dam builder turns wood carver

By PAT FOLEY
Press-Record Staff Writer
A West Granite City man has made an unusual change in his daily work and life and has a house full of beautiful wood carvings to show for it.

George McDaniels, 69, a former construction worker who has worked in many countries building dams, has turned to wood carving to fill part of his days. He lives with his wife, Vera, in a mobile home at 1727 Olive St., which is filled with finely-carved lamps, flower arrangements and even a hand-made headboard for their bed. The carvings are the creations of McDaniels who has been carving for the past five years.

McDaniels retired from the dam building business in 1963 after 22 years in the field when a heart condition was detected and he had to discontinue all hard work.

His meticulous new craft was acquired after he and his wife moved to India in 1952 for nearly three years, during which he worked on the Bhakra Dam project.

For the formal opening of the dam in 1954, McDaniels and his wife received an invitation to attend from then Prime Minister Jawaharlal Nehru.

He says that while in India he picked up some of the "tricks of the trade" of wood carving, and decided about five years ago to give it a try.

He specializes in the carving of tall, spindly flowers but also

has done an intricately designed sewing chest for his wife.

His biggest undertaking thus far is a headboard for their bed which was made entirely without the use of screws or nails. Only wood dowel pins and glue were used. He also carved into the wood several massive designs.

The leaves for the flowers are filed and sanded to very thin dimensions to add to the realism of the arrangements. An average flower bouquet takes from six to eight weeks to complete but McDaniels says that he doesn't work on them all the time, so as not to become bored.

While he's not carving or whittling, he is busy tending to his garden in his back yard. He grows everything from okra to grapes, including tomatoes, string beans, raspberries, lettuce, onions and a wide variety of flowers.

During his days as a dam builder he traveled through most of the world including Japan, Thailand, Hong Kong, Singapore, Italy, Switzerland and Israel.

Many of his carvings include ivory carvings and small ivory elephants which he picked up along the way during his travels.

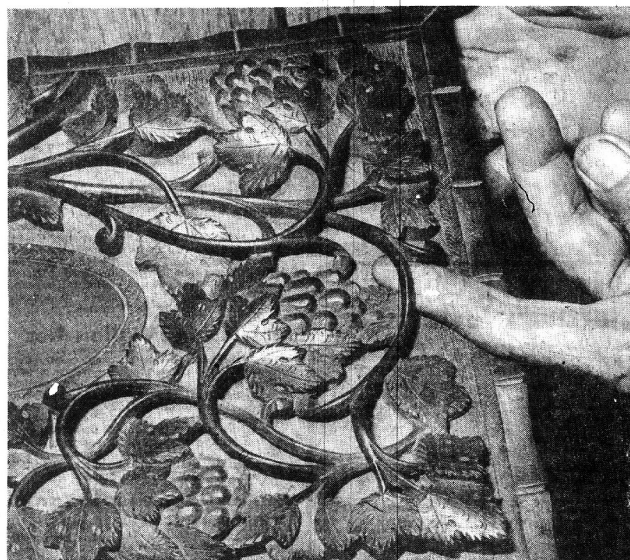

McDaniels says that he has never sold any of his carvings but not for a lack of customers. Many people have inquired about purchasing some of his creations but he says that he can't begin to put a price on his work and would never think of parting with them.

Above... George McDaniels displays a few of his flower creations and at left is a pair of carved lamps whose brightness can be controlled by opening and closing the lotus-like top which surrounds the bulb.

At left... Patient hands slowly file a piece of walnut into a leaf which will be used in one of McDaniels' flower arrangements. Some of the leaves are thinner than one-quarter of an inch.

At right... The delicately carved top of a sewing chest shows the intricacy of fine carving which includes the raised vines of the carving which are at several points up to one-half of an inch higher than the top itself. The top is made of one, unbroken piece of wood.

Financial planning necessary, BPW told

Ten new members were inducted into the Granite City Business and Professional Women's Club at the August dinner meeting, which was held at Skooter's Steak House, located on Route 203 south of Madison.

The program concerned investments, wills and trusts and was presented by Mrs. Rosemarie Stallings, assistant vice-president and trust officer at Bankers Trust Co., Belleville, and Mrs. Marilyn Blanton, associate vice-president and assistant research department manager for A. G. Edwards Co. in St. Louis.

Newcomers to the business women's group, welcomed in a candlelight ceremony, were Betty Applegate, Ruth Bradley, Linda Butts, Dorothy Hill, Doris Jones, Pearl Kennerly, Marie Parrill, Thelma Simmons, Sharon Stephens and Diana Wells.

Applications from eight candidates for membership were approved.

The prospective members are Ramona F. Burnett, Mary E. Lockhart, Ruth L. Nicholas, Shirley L. Rapoff, Ruth L. Smoot, Delores Stalcker, Betty A. Stone and Pearl M. Wright.

Three local BPW members, selected "honorees" for August, were Gladys Newman, LaVelle Stephens and Verna Lengyel. A resume of their accomplishments was presented by Carolyn Frye.

Information relating to two important areas of financial planning was offered those attending by the guest speakers, both of whom have extensive experience in their fields.

Mrs. Stallings stressed the need to make a will.

"If you don't already have a will, the state has one for you. But you may not like it," she said.

There are several important reasons for making a will, she said. It allows you some tax planning, can reduce federal estate taxes, permits you to decide who receives your property and when it will be received and averts possible family problems over who gets what, she stressed.

Many people choose to leave their estate in trust, Mrs. Stallings said, explaining a trust fund can be created by the will itself with instructions and by naming a financial institution as trustee.

Trustees keep funds invested

after debts, expenses and taxes are paid, and collect income to pay the heirs, she said.

Key benefits in establishing a trust fund include professional management, assurance that property will be "hard at work" and provisions made for minor children, the banker said.

Your local banker can provide advice to determine if a trust would be of benefit to the individual, Mrs. Stallings said. Before investing, be sure to have adequate savings and insurance, Mrs. Blanton of A. G. Edwards, told BPW members.

She suggested having at least six months savings prior to entering the investment field.

You must also define your objectives before making investments and answer such questions as — How much risk am I willing to take? Am I interested in growth or income? Mrs. Blanton said.

"Often the risk can be greater than the potential reward," she added.

She offered some guidelines on how to begin investing with the sum of \$5,000 or less.

The different vehicles from which to choose are numerous, Mrs. Blanton said, touching upon the pros and cons of investing in common stocks

versus bonds.

For an investor who does not have time to spend on pursuing investments, mutual funds offer the advantages of regular management, she said.

The rule of thumb, she stressed, is to have sufficient savings — at least six months — before entering the investment field.

A lively question and answer period followed the presentations and many members asked for additional information.

Mrs. LaVelle Stephens, president-elect, reported on

activities at the 1978 BPW national convention in San Juan, Puerto Rico, noting that it was the second largest delegation of members in attendance.

Illinois also came home with three national awards, Mrs. Stephens said — membership, Foundation and the Individual Developmental Peak-Off winner — Miss Linda Wetton of Granite City.

Florence Moore, public relations chairman, asked for volunteers to serve on a membership pledge drive for KETC Channel 9, the public education television network. BPW volunteers handled the telephones at Channel 9 on Sunday.

Deanery Women meet at St. Mary's

The Alton Deanery Council of Catholic Women met at St. Mary's Parish in Madison in late August.

Mrs. Irma Manning of Madison is council president.

The Rev. Ralph Scherrer, O.P.M., St. Mary's pastor, celebrated the benediction at 12:30 p.m. Registration followed at the Parish Hall.

Sixty-seven women attended the session which was opened by the Rev. John W. Spreen of St. Matthew Church, Alton.

Mrs. Manning introduced several guests, including Agnes Brummer, the presiding diocesan president, Jean Johnson, diocesan president-elect, the Rev. John Osola of Blessed Sacrament Church, Springfield, the diocesan moderator, and Deacon Joseph Simburger.

Final plans were discussed for the annual convention in Springfield, Sept. 16 and 17.

The Alton Deanery has been responsible for making cloth bags for distribution at the convention. The bags bear the insignia of the State of Illinois in gold felt and the Diocesan deaconries symbol in white felt.

A total of 500 completed bags was collected at the meeting here.

Mrs. Manning named a nominating committee to select a president-elect.

Refreshments were served by members of St. Ann's Altar Society, including Mary Ann Bunk, Vera Sikora, Rose Schmidt, Josephine Knezevich and Frances Baker.

Father Osola offered the closing prayer. The next meeting was set for October at St. Paul's Church in Highland.

Friendly Agers planning trips

Plans for September trips to the Baptist Building in Springfield and a "Sound and Light" show in New Salem, Ill., were made by the Friendly Agers group at a meeting last week at Second Baptist Church.

A covered dish luncheon was served at noon, followed by a business session and program.

Mrs. Mina Duggins, president, was in charge. Prayer was offered by Harold Garin.

The devotional lesson, "Glorification," was taken from Romans 8 and given by the Rev. William Showers.

Alice Hoffman and a guest, Dolores M. Boston, sang a special song and a reading was given by Mrs. Naomi Roncey, entitled "Too Old."

Mrs. Elsie Sturdivant, a new member, was introduced.

Also present were Mr. and Mrs. John Cavine, Mr. and Mrs. Odie Mitchell, Mr. and Mrs. Woodrow Crisman, Gladys Hudgens, Mildred Garin, Goldie Smith, Marnie Strood, Dorothy Barnes, Ruth Hassler, Norma Rains, Rosemary Wilson, Pearl Peters, Florence Fash, Frances Bogdan, Ann Wigger, Virginia Taylor, Naomi Burnett, Ruth Mayberry, Lena Bonnavar, Ruby Claussen, Lena Stephens and Jack Jenkins.

Other guests were Mr. and Mrs. Edgar Paddock, Irene Broadway, Helen Lanham and Betty Grote.

A to Z Club meets with Mrs. Winter

Mrs. Clara Winter, 4616 Vine Blvd., entertained the A to Z Pinochle Club at her home last week.

A dessert was served and games were played.

Excelling and receiving prizes were Madeline Wenner, Helen Kralowicki, Mary Mang, Sue Busch and the hostess.

Also present were Veronica Kula, Helen Lowe, Ilsa Bauer and Ruth Kinder.

Mrs. Lucille Broyles of Madison will host the group in September.

MRS. SMITHSON RETURNS FROM TENNESSEE VISIT

Mrs. Kathryn Smithson, 2592 E. 27th St., has returned from a holiday in Tennessee, where she was the house guest of Dr. and Mrs. J. L. Wielenga, their twin daughters, Erin and Stacy, and son, Brian, in Cleveland, Tenn.

Other guests at the Wielenga home were Mr. and Mrs. Rob Crosswell of Washington state and Mr. and Mrs. R. R. Sparks of Fairfax, Va.

All are members of the family of the late Navy Captain and daughter of Mrs. Smithson.

During the week's holiday, Mrs. Smithson and the other visitors toured Chattanooga and other interesting locales.

The Rev. and Mrs. L. M. Haynes, formerly of Granite City, now residing at 322 Lake Palm Drive, Largo, Fla., returned here last week to celebrate their golden wedding anniversary. An open house reception was held in their honor at Briarcliff Pentecostal Church. The observance was hosted by the couple's children, Mrs. Richard (Robbie) Foy and Mrs. Paul (Shirley) Hollis, both of Granite City, Robert Haynes of Collinsville and Mrs. Bill (Jimmie) English of Largo, Fla. In attendance were seven

grandparents, family members and many friends. Out-of-town guests included three sisters of Mrs. Haynes, Mrs. Hattie Hayden and Mrs. Wilma Staple, both of Belleville, Mo., and Mrs. Berdith Franks of Savannah, Tenn.; and a sister of Rev. Haynes, Mrs. Jane Davis, also of Savannah, Tenn. Other guests were Mr. and Mrs. Jack Miller and Mr. and Mrs. Gus Metros and children, Craig and Wendy, all of Dearborn, Mich., and Mr. and Mrs. Bill Landers and Mrs. Louise Rainey, all of Savannah, Tenn.

Navy Mothers induct member

Mrs. Harriet Jones accepted the obligation and became a new member of the Quad-City Navy Mothers Club \$50 at a meeting Thursday night at the VFW Hall. Commander Stella Miller presided and presented a gift to Alberta Ethington in observance of her birthday. The

group sang a birthday song in her honor. A \$25 gift was authorized to Little City in Palatka, Ill., whose program is geared to retarded children. Another \$25 donation was voted to the Philadelphia Hostess House. Mrs. Miller reported that member Vernon VonNida has contributed four hours of voluntary service at the John Cochran Veteran's Hospital, St. Louis. The hostesses, who served refreshments and led the games' session, included Mrs. Ethington, Frances Westbrook and Mary Lee Butler. Excelling and winning prizes were Alice Christian, Mrs. VonNida and Mrs. Miller. Mrs. Joan Teller also won a prize and Mrs. Della Rabb received the mystery package. The unit's business meeting will take place Sept. 14 at the VFW Hall.

A gospel music concert, featuring the Roger Home Trio of Nashville, Tenn., is scheduled at 7:30 p.m. Wednesday at the First Church of the Nazarene, 4701 Highway 111. The Rev. William H. Roddy, pastor, said the public is invited to join church members and attend the concert.

**Bicyclist
robs woman**

Marilyn Holshouser, who resides in the 2200 block of Edison Avenue, was robbed by a bicyclist who displayed a handgun in the parking lot of Barney's Brake and Wheel Alignment, 2311 Madison Ave., at 4 p.m. Sunday. The victim said she was walking in the lot when a teen, about 16 to 18 years old, rode up to her on a reddish-colored bicycle, displayed what appeared to be a black automatic handgun and stated, "I want your money." She said she got out her coin purse and the teen stated, "I mean it, (profanity) or I'll shoot ya." The victim gave the boy five \$1 bills from the coin purse and the boy rode north on Madison Avenue.

'Wonderful World of Scouting' school night programs planned

The Unihw District (Quad-Cities area) of the Cahokia Mound Council, Boy Scouts of America, has announced the kickoff of a "Wonderful World of Scouting" School Night Program.

Scouting School Night coordinators and unit leaders or representatives will meet at the Niedringhaus United Methodist Church, 20th Street and Delmar Avenue, at 7:30 p.m. today to learn the details of the School Night program.

During September, all of the grade schools and junior high schools, public and parochial, in the Quad-Cities area, will work with the Cub Packs and Scout Troops to host a "School Night for Scouting" to invite those boys and parents that are interested in scouting.

"By nature, young boys are bashful and seldom are aggressive in joining anything without a special invitation," Mrs. Pat Foote, school night

chairman, said. "Yet, reports show us that three out of four boys would like to be part of Scouting. So, we are going to remedy this by inviting those boys to join."

The "Wonderful World of Scouting" is part of a national theme, with Jim McKay of ABC Sports as the national chairman.

During September to December, each boy who recruits a new Cub Scout or Boy Scout will receive a special Wonderful World of Scouting patch and the new boy will receive a large iron-on decal.

There also will be awards for the top recruiters in the Cub, Scout and Explorer category. The top five Packs, troops, and posts, will receive special unit awards, and another special to the top pack and troop will be a free dinner at Granite City McDonald's Restaurant for the entire Unit and their families.

"This is only the beginning of many activities planned for Scouting," Mrs. Foote said. "Things such as special adult training, roundtables, camporees, dinners, pinewood derby and many others will be offered for Cub Scouts, Boy Scouts and their families."

Parents are asked to contact the local school to find out the exact date of their school's "School Night for Scouting."

Coordinators for the program and their schools are: Ned Freeman at Logan School; John DeCourcy, Emerson; Don Hagen, Niedringhaus. Mr. and Mrs. James Graham, St. Elizabeth; Barbara Sch-wertmann and Marilyn Tarasovich; Harris; June Isenberg, Frohardt; Vickie Hergert, Johnson. Also Mr. and Mrs. Charles

Buford, Parkview; Brice Ford and Richard Spillers, Blair; Yvonne Foley, Nameoki; Robert Noud, St. Mary's; Erwin Stengel at Venice. Barbara Haddock, Maryville; Ronald Luebben, Stallings; Mr. and Mrs. Robert Deckard, Lake; Woodrow Moad and Pauline Perkins, Wilson; Ken Clark and Zane Miller, Mitchell; Floyd Jordan and Ray Gaudette Jr., St. Margaret Mary; Gertrude

Luebben, McKinley; Robert Moske, Coolidge, and William Monical, Grigsby. Others assisting with the program are Richard Foote, Sue Flowers, Brenda Withers and Ben Miller. Information on Cub Scouting, Boy Scouting and Exploring may be obtained by contacting the Boy Scout Service Center, 2016 Delmar Ave., phone 576-0686.

Pamphlet for senior citizens

State Representative Everett Steele (R-Glen Carbon) has prepared a guide outlining services available to senior citizens 65 and older that includes information about tax exemptions and possible cash grants.

"I have found many senior citizens are unaware of the variety of governmental services available to them," Rep. Steele explained. "It seems the major problem has been an absence of one central reference with information on these programs."

"With this problem in mind, I have assembled a pamphlet explaining 22 of the state and federal programs which benefit senior citizens," he said. "The pamphlet explains special exemptions totaling \$1,750 that senior citizens can claim on state and federal income taxes."

"It also provides a short explanation of the circuit breaker, sales tax relief and homestead exemption programs which can produce additional savings in the form of cash grants or exemptions," he added.

Rep. Steele's pamphlet also includes information on Medicare, Medicaid, Social Security, legal aid and housing. "I have not attempted to provide all the available information on these programs," the 5th District legislator said. "That would be almost impossible."

"Instead, I wanted to provide an easy reference for senior citizens to locate benefits they are entitled to and where they can obtain further information," he said.

Steele has already mailed a

special newsletter containing the senior citizen services guide to many of the senior citizens within the 5th District.

"Because I don't have a complete list of all in our area, I hope that anyone who has not received this information will contact one of my three district offices so I can mail them this free pamphlet," he added.

Rep. Steele said that senior citizens interested in the pamphlet may write, stop by, or telephone one of his offices at: 10 Meridian Road, Glen Carbon 62034, (288-9664); 1318 Niedringhaus Ave., Granite City, 62040, (876-4334); or Metropolitan Bank Building, 2850 Bellvue, Alton 62002, (465-3119).

Cut lure loss

There's no way you can keep from losing lures.

They hang in rocks and other debris underwater so deep that retrieval is sometimes impossible.

The first suggestion is that you constantly check the line or leader several feet above the lure, looking for frayed or cut spots which will weaken the line and cause it to break if you do hang up.

When you become snagged underwater, don't pull against the snag, you'll only set the hook deeper into whatever is holding the lure back.

It's best to position yourself behind the lure, on the opposite side of the snag from where you were when the hang-up occurred.

This way, you can often pull the lure backward and it comes loose immediately.

Another thought is to run your rod tip as deep as possible, taking out all slack and hoping to push the lure off the snag with the end of the rod.

By stretching, you can often reach seven or eight feet deep. If you're out with young or inexperienced anglers, keep

Illinois History Quiz

Prepared by the Illinois State Historical Society Old State Capitol, Springfield 62706

1. Illinois adopted its first constitution on Aug. 26, 1818, and became a state on the following Dec. 3. When, during that year, was Shadrach Bond (1773-1832) inaugurated as the first governor?
a—Aug. 26; b—Oct. 6; c—Nov. 26; d—Dec. 3
2. What artist painted Illinois' official portrait of Shadrach Bond, the state's first governor?
a—Leonard W. Volk; b—George F. Wright; c—Frederic Remington; d—Thomas Eakins
3. Where is Illinois' official portrait of Gov. Shadrach Bond displayed?

them rigged with inexpensive lures.

When they do snag one, the loss isn't so great.

If, in the end, you can't work the plug loose from whatever's holding it, try a direct pull on the line.

The least you'll do is break the line, and that's going to be necessary anyway if the lure is badly snagged.

DOLLY PARTON is coming out with a new line of sportswear. When Dolly was asked about her new fashions, she laughed. "All of the blouses and T-shirts in my line will be available in just one size: large."

To coin a phrase, keep watching for a missing S

Collectors who buy proof sets on an annual basis and then put them aside after a quick glance, to preserve for grandchildren or investment purposes, better dig out the 1975 ones and take a closer look.

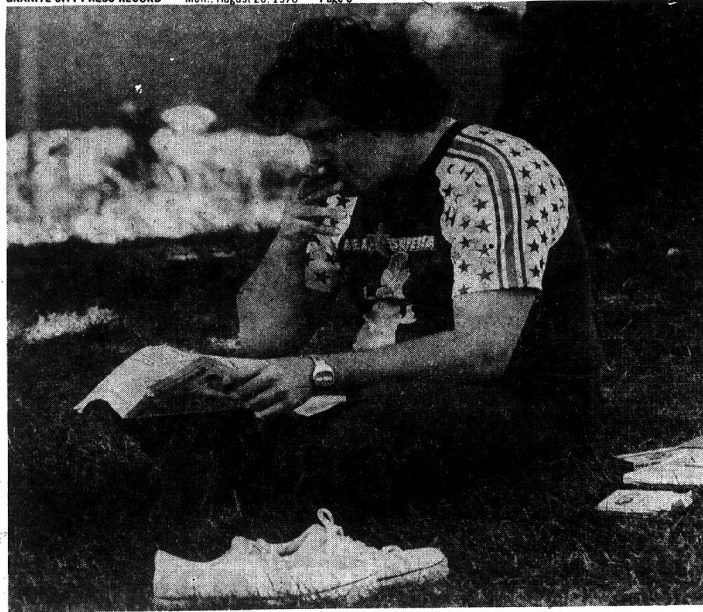

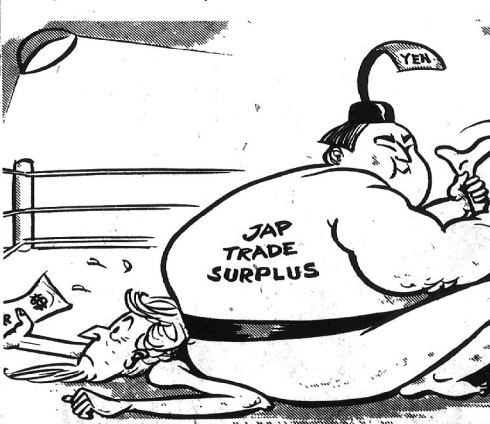

A scrutiny of the time in that set is in order. There should be an "S" mint mark just above the "75" in the date. If it has that S, close up the set and put it back in storage.

It's worth little more than the \$16 most of the 2.9 million normal '75 proof sets will bring on the market. But if that S is missing, guard that set with your life!

The S-less sets are indeed a rare minting error and worth in the neighborhood of \$10,000 to \$15,000 if you decide to sell. Generally such errors occur when the Philadelphia Mint technicians who produce coining dies for the San Francisco Mint forget to add the mint mark to the dies they send to the West Coast. Similar errors have occurred in recent years creating no-S proof dimes in 1968 and '70 and no-S proof nickels in 1971.

Proof sets with those errors now retail in the area of \$7,500, \$680 and \$1,070, respectively. Now go check those proof sets. . .

Meenen retiring from Ill. Power

Harold G. Meenen, vice-chairman and a director of the Illinois Power Company, will retire Friday after 28 years with the company.

Meenen became associated with Illinois Power in 1950 as assistant to the comptroller. In 1962, he became assistant to the president and two years later

was elected vice-president.

He became a member of the company's board of directors in 1966 and later that year was named chairman of the Finance Committee.

In 1969, Meenen was elected senior vice-president and in 1976 he was named vice-chairman. He has served in recent years as

the company's chief financial officer.

A native of St. Louis, Meenen is a graduate of Washington University, where he received a bachelor of science degree in accounting.

He is a certified public accountant and was associated with Price Waterhouse & Co. from 1938 until 1950, except for time spent in the armed services.

In 1942 he was inducted into the Army, being discharged in 1946 as a major.

Meenen is a member of the

board of directors of Decatur Memorial Hospital, the board of directors of the First National Bank of Decatur and the board of trustees of Illinois College at Jacksonville. He is a member of the Decatur Chamber of Commerce and served as its president in 1976-77.

He is also an elder of the Westminster Presbyterian Church in Decatur and has served as a trustee of that church.

Meenen is married to the former Phyllis Faith of Monticello. Mrs. Meenen attended MacMurray College as a member of the class of 1935.

Re-equip aircraft mechanics program

The Belleville Area College Board of Trustees voted last week to give special emergency buying powers to the college's vice-president for administrative affairs.

The action was in response to a fire which destroyed the facilities for BAC's automotive mechanics program at Bi-State Airport in Cahokia.

Under a special section of the Illinois Revised Statutes, such authority may be granted in emergency situations.

Approval was given for the business officer to make purchases limited to \$305,600

without first submitting the items for bids.

As a result of the fire, Belleville Area College's automotive mechanics program has moved its classrooms to Pitzman School in Cahokia.

At the meeting, the board authorized rental of Hangar Five at Bi-State for storage of the college's remaining airplanes and for space to do aircraft maintenance.

Miles criticizes Sparks candidacy

Morris Miles, Democratic nominee for the Madison County Board from District 16 (Chouteau Township), assailed the third-party candidacy of Chouteau Township Supervisor Walter "Dick" Sparks during the reorganization meeting of the Citizens to Elect Morris W. Miles committee last week.

Lee Pavia was selected chairman of the committee during the meeting with Billie E. Tindall chosen as secretary and Hubert E. Futch as treasurer.

Miles spoke to the committee, criticizing Sparks' switch from the Democratic party in the primary election to the People's Party in the Nov. 7 general election for the District 16 seat.

"It appears that Walter Sparks is willing to go to

desperate lengths in order to serve his own selfish interests, whatever those hidden interests may be to retain the District 16 seat on the County Board," Miles stated.

Mr. Sparks was defeated in the March primary for the seat as a Democrat, and instead of accepting the clear decision of the voters and turning his attention and energies to being Chouteau Township supervisor, he is trying to palm himself off as some kind of an independent.

"I think this action will be taken as a slap in the face by the voters in District 16 on Nov. 7," Miles told the group.

"Since the March primary, the Illinois legislature has passed two bills sponsored by Sen. Sam Vadalabene (D-Edwardsville) which would permit County Board members to serve as township supervisors, providing they do not vote on matters of interest to their townships involving federal revenue sharing funds.

"The bills presently are before the governor and I should hope the governor would uphold the opinion of Attorney General William G. Scott and veto such double dipping bills. If the governor does decide to sign such bills, do we, the people in District 16, want a County Board member representing us who is unable to vote on matters of interest to their townships?" Miles asked.

"Mr. Sparks stated recently that even if the governor decides to veto the legislation, he might decide to retain the County Board seat, if elected, and give up his township supervisor post. This is the typical Sparks statement.

"I can document with newspaper articles every campaign Sparks has entered since the question arose of holding both positions and Sparks has stated he would opt to give up the other, depending on which office he is seeking.

"Now again, even after defeat and pending legislation, he is still trying to cram himself down the people's throats," Miles stated.

"I can only say I am disappointed in the direction he has chosen to take to enter the campaign again, under a splinter party name. Instead, it would have been to the advantage of all the people in District 16 had Mr. Sparks accepted the will of the people and said he will be supervisor for the next three years. Morris Miles will be the County Board member.

"Let's go to work and complete the projects which have been started and move ahead to make District 16 and Chouteau Township an even better place in which to live and work," Miles concluded.

The committee decided to hold a fund-raising buffet and dance Oct. 6 at Polish Hall, 626 Greenwood St., Madison, and Tindall was named chairman for the event.

Tickets will be sold by committee members or may be reserved by calling 931-4497.

Members of Miles' campaign committee are Arthur LaRue, Albert E. Doerr, Joe Steffensen, David Wolf, Joe Garcia, William Thoeke, James Greer, and Robert Douglas.

Also on the list are James Barton, Michael Lesco, Jack Pince, Ren Manning, Floyd Waters, Darrell Daugherty, James Williams, Albert Lesco, Jessy O'Neal, Albert "Sonny" Stalhart and Mike Carman.

Lifetime Learning luncheon

The Metro-East Extension Institute of Lifetime Learning will celebrate its first year of service to older Americans Wednesday, Sept. 13, with a "no-host" luncheon at Southern Illinois University at Edwardsville.

The luncheon is scheduled on the second floor of the University Center beginning at 12 noon.

Wilbur Trimpe, president of Lewis and Clark Community College, and Warren Nieberg, dean of General Studies at Belleville Area College, are among the regional and national representatives who will be in attendance at the luncheon.

The Extension Institute has completed two terms, offering a total of 37 courses at 10 locations throughout this region.

A total of 430 senior citizens participated in the classes, ranging from learning to rewire lamps to beginning bridge.

The local group, a chapter of the National Institute of Lifetime Learning, is supported by five area chapters of the American Association of Retired Persons, three chapters of the National Retired Teachers Association and a chapter of the National Association of Retired Federal Employees.

Courses that are expected to be offered in the future include ballroom dance, beginning Spanish, home repair and physical fitness.

The luncheon is open to all participants, including students, instructors or those who worked for development of the classes.

Organizers of the luncheon include chapter representatives at SIUE, Lewis and Clark Community College, Belleville Area College and the Madison County Educational Service Region.

The luncheon costs \$3.75 and the deadline for reservations is Sept. 6.

Information is available and reservations may be made by calling 692-3210 or 462-7427.

South's soccer title defense begins Wednesday in Waterloo

Warriors swamped Waterloo 16-0 last season but Baker says Bulldogs won't lie down this time

By BRAD BUGGER
Perhaps it'll be a sneak preview of another two-state championship. Or it could be another Granite City South runaway.

But South soccer coach Gene Baker is predicting that Wednesday's Warrior-Waterloo

this time around, however. "We take every opponent seriously, and I think Waterloo is going to be an improved team this year," Baker said. "They should wind up with a .500 record."

Coaches are given to that sort of caution, of course, but Baker

by Waterloo this time, either. The Bulldogs, coming off a 9-12-1 season, lost their top two scorers to graduation.

Coach Rick Keefe's team returns five starters, including a strong backfield, but the Bulldogs will be hard-pressed to

will be able to come back. And junior winger David Mendoza, who is suffering from water on the knee, will sit out the Bulldog game.

But Baker has enough firepower left, including superstar David Fernandez, who was named to the all-state tournament team as a freshman last year. Fernandez is just returning from the national finals of a soccer dribbling competition.

Other starters include Alex Paz, who beat out Andy Castillo for the goalie job, and a backfield of Phil Beljanski, Steve Spencer, Jeff Tinsley and John Prada.

Dan DeRousse and Fernandez will open at midfield and the forwards will be Frank Schwarskopf, Fred Schuler and Dan Long.

Randy DeRousse, a junior winger, and freshmen wingers David Paz and Greg White will see some action, also, Baker said.

Baker likes this year's team, when it's healthy, to the 1975 squad, which featured last year's stars as sophomores.

"We are very young now, like that team was, and we had a chance to win the state championship that year."

"Last year's team had a wealth of experience, and we're going to be very young this year."

The Warriors' strong points, as Baker sees it, are their willingness to work, their timing and shooting ability.

"But we're not a big team this year," he said. "We're not going to be able to head a lot of balls into the net."

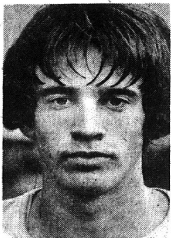

As for Waterloo, Baker says the Bulldogs "kick and run a lot. They play a 3-2-5 alignment. I think they'll be improved a lot."

soccer game will be just that — a game.

In past contests, the Warriors have taken no prisoners, as evidenced by last year's 16-0 lashing of the Bulldogs. Baker doesn't foresee that kind of rout

is walking the straight and narrow for another reason.

Wednesday's game is one of ten of the defending state champs picked as play-off point games. Nonetheless, the Warriors probably won't be challenged

Star centerback Jack Burnett still hasn't recovered from knee surgery and will not play Wednesday. Baker says he doesn't know when the junior

'Senioritis' bug bites North harriers

By BRAD BUGGER
"Senioritis," Webster's doesn't define it, but ask Granite City North cross country coach Pete Robinson, and he can give you a definition in short order.

It's known as the "I'm a senior in high school, therefore I'm going to take it easy this year" syndrome. And Robinson's team apparently got a good dose of the disease this summer.

"A lot of our seniors didn't do much running this summer," Robinson said. "We're gonna have to rely on a lot of new people or some who didn't put in a lot of time over the summer."

Robinson is also going to have to replace the Mike Baker-Greg Stout duo that lead last year's ninth-place district finishers.

Baker finished 14th in the state last year, and Stout was named to one all-area team as an honorable mention selection.

"We lost two outstanding runners, and I don't know how good the rest of the area is, so I just don't know how good we'll be," Robinson said.

"A lot is going to depend on how our new people develop over the year."

Robinson says his top four runners will be senior Aaron Hickman, sophomore Bruce DeRuntz, junior Jim Edwards, and senior Russ Kewin.

"We're expecting a lot from Hickman," Robinson said. "He's going to be our top runner."

"DeRuntz is looking extremely strong, but I don't know if I'm going to start him off immediately at the varsity level. I may let him attain a little success at the sophomore level first."

"But I know he'll be running varsity by the end of the year," Robinson said.

Robinson said both Edwards and Kewin are looking good. "But we're going to have to find a good fifth man," he added.

That man could come from a host of candidates, including "a strong nucleus of sophomores," Robinson said.

"A key to our success could be how much our sophomores mature," he added.

Robinson said he has 18 boys out there, and is hoping to add eight or nine freshmen in the next few days.

Music Room forces a third game with win yesterday

Mercer, Music Room make another Sunday date

By PETE HAYES

EAST ALTON — Mercer of Granite City and The Music Room Vans of East Alton came out of yesterday's opening doubleheader of their Illinois Inter-City League finals series without anything being settled.

except that the third and deciding game of their best-of-three series will be played in Granite City next Sunday.

Stan Hawkins picked up the victory for Music Room on the mound in the first game, going all the way and striking out six Mercer batters in the process.

What proved to be the winning run was scored by Music Room in the fifth inning, when Steve Booher was driven in by Music Room third baseman Lee Davis, the league's leading hitter during the regular season (448 with 26 RBIs). Booher had

scoring column when Eldon Warfield doubled and was driven home by Bill Lee's single in the first frame.

Music Room came back with a run in the bottom half of the inning on Don Broadway's solo home run to right-centerfield.

Trailing 5-1 going into the top of the sixth inning, Mercer used its own version of the long-ball to creep to within two.

Schaeke slammed the first pitch to deep right-centerfield, over the Music Room defense (Van Preter Park has no outfield fence) and he circled the bases with a grand-slam home run.

The other run of the inning came when Eldon Warfield reached base on an error, went to second when Bill Lee walked and scored on Catcher Ken Schaeke's single.

Mercer added two runs in the final frame (sandwiched between were single Music Room tallies in the second, third and fourth innings). Greenwald walked to open the frame. That was followed by a Bob Hughes single.

Warfield then hit a sinking line drive to rightfield which the rightfielder tried to make a shoestring catch on.

However, the ball skipped away from him and both Greenwald and Hughes scored.

For Music Room, Broadway came up with his second home run of the game when he socked a solo job in the fourth inning. Davis was two-for-four at the plate.

In the seventh inning, Music Room loaded the bases on Mercer starting pitcher Jerry Deml with two out, but he got the last batter to strike out to end the game. It was one of seven strikeouts Deml got during the game.

Silkwood fanned eight Mercer batters while absorbing the loss.

The final game of the championship series will be played next Sunday, Sept. 3 at Wilson Park at 2 p.m. It will be a nine-inning affair.

To all retired members. We hope to see you and your family at our annual Labor Day Picnic, Sept. 4th at Dad's Park, South Roxana, Ill.

Which baseball pitcher has thrown the fastest fast-ball in history, based on official timing? The answer is Nolan Ryan. One of Ryan's pitches was officially timed at 101 miles per hour in 1974 for the all-time record.

Strange, but true... This year's winner of the U.S. OPEN GOLF CHAMPIONSHIP, Andy North, became a golfer only because of a serious illness.

North was stricken with a rare disease when he was in the 7th grade in Madison, Wis., as a bone in his knee stopped growing and was disintegrating... He was told to give up his favorite sports of football and basketball — but his doctor told him he could play golf if her rode in a cart... That's why he took up golf, and the rest is history.

If you're wondering who's going to win the World Series in 1978, you might keep this fact in mind... A team from the American League has won the World Series EVERY YEAR ending in an "8" for the last 60 years.

The Red Sox won it in 1918, the Yankees in 1928 and 1938, the Indians in 1948, the Yankees in 1958 and the Tigers in 1968.

Warriors, Chaney are hopeful but cautious about golf season

GRANITE CITY — Boone Chaney is optimistic. But he's cautiously so.

Coming back from a South golf squad which last season didn't exactly light up the prep golfing world (3-15-1), are three lettermen, but according to Chaney, they've made improvements by leaps and bounds and, combined with a sophomore surprise, could make other schools think twice before they take South Warrior golfers lightly.

The three returnees are Herman "Dutch" Schroder, a senior, Joel King, a senior, and Greg Mulach, a junior. According to Chaney, all three have been playing hard this past summer and their scores indicate that fact.

"Dutch is shooting in the high 30's," said Chaney. "And King and Mulach have made it there

a few times this summer. They've taken a few strokes off of their scores."

The sophomore surprise is Todd Burns, who attacked Chaney's eye last season as a freshman, but has really come on in workouts this far.

Others Chaney is counting on this season are Mike Williams, a junior, Paul Zimmer, a sophomore and Larry Holder, a freshman.

Tim Burris and Scott Jenkins, top of juniors, round out the top players for South this season.

The Warriors have been practicing a week, and Chaney

looks for in a golfer at this early juncture in the season is whether or not he's made a commitment to the sport. "I try to see who's been playing all summer," said Chaney. "If a kid's been working hard at it, it'll show, he doesn't have to tell me."

Chaney pointed out that after the first few weeks of the season, his squad should be pretty well set as far as him knowing who to count on during the season is concerned.

Chaney said the first thing he looks for in a golfer at this early juncture in the season is whether or not he's made a commitment to the sport. "I try to see who's been playing all summer," said Chaney. "If a kid's been working hard at it, it'll show, he doesn't have to tell me."

Chaney pointed out that after the first few weeks of the season, his squad should be pretty well set as far as him knowing who to count on during the season is concerned.

Harmon not sure about South harriers

By BRAD RUGGER

It's all a mystery to Granite City North cross country coach Dick Harmon, and last week's hot, humid weather isn't making it any easier to find answers.

"I don't know how good we'll be," Harmon says when asked to assess his squad. "The weather's been so hot, we just haven't been able to push the kids."

"We just don't know how they'll do."

But despite being unable to fully test his team, Harmon does know the Steelers will be hurting for numbers.

"We won't be as deep as we were last year, that's for sure," Harmon said. "Last year, we had five kids who kind of alternated in leading us in the big meets."

"We've lost three of those five to graduation."

The top two returnees are Dave Taylor, a senior, and junior Dave Houston.

"Taylor has looked awful good so far," Harmon said. "Houston is just getting into shape. He's coming around, but he's got a long way to go. We're hoping he'll be ready to go when the season starts."

making plans to move to Colorado. Non-lettermen expected to contribute are juniors Mike Gardner and freshmen Steve Dumont and Ron Brown. "This is Gardner's first year out, and I think he can help us," Harmon said. "Dumont and

Brown are really looking good for freshmen."

Harmon said five of his runners belong to the "South 500" club, which means they ran over 500 miles this summer. They were both Dave and Jeff Taylor, Collins, Dubnick and DeRuntz.

Yates places girls' tennis hopes on two returning starters

By PETE HAYES

Press-Record Sports Editor

GRANITE CITY — For

Granite City South tennis coach

Pat Yates, the upcoming fall

girls tennis season looks as if

the whole ball of wax could

depend on two returning let-

termen from last season's 7-4

squad.

Returning from the team of a

year ago are senior standout

Christy Bauer and junior Laura

Gabrielle.

"We could wind up depending

on those two quite a bit," said

Yates. "But if things work out in

the first few practices we will

have, we'll know who we can

depend on to carry us through

the rest of the lineup."

Bauer returns as the number

one singles player for the

Warriors. She somewhat

established a name for herself

last season with a number of

upsets over well-known players

from the area.

"Christy's a natural tennis

player," said Yates. "But it

takes more than that. It takes

hard work."

According to Yates, Bauer

has been one to put in that extra

work. "She's a very hard

worker," she said. "She's been

playing every day this summer

and has made quite an im-

provement."

Gabrielle made great progress

last season as a sophomore,

moving all the way to number

two single. According to Yates,

she'll be a player to watch in the

future. "Laura has worked so

hard," said Yates. "Her ground

strokes aren't as fluid as

Christy's are, but she is still a

junior.

"Overall, I'd say those two

girls will be our lead-off hitters

with the rest of the girls balling

it out for the final four spots.

Among those others, men-

tioned by Yates are returning

letterwomen Susan Bell, a

junior, Agatha Grabowski, a

senior, Sheri DePew, a junior

and Susan Squires, a

sophomore. Also added to that

list has been Wendy Kelley, a

sophomore transfer student.

"I've heard that Wendy's a

pretty good player," said Yates.

"But I'll learn more after I've

seen them practice a few

times."

Yates got her first look at the

South squad Friday in a

practice which was held inside

because of rain.

Who does Yates consider as

the "team to beat" this season

in the area? "I'd say it's going

to be one of the Belleville

schools," she said. "I really

don't know which one it'll be,

though.

Korte aiding in expansion of hospital

Construction has been started this summer by Ralph Korte Construction Co., Inc., of Highland, as part of an \$8 million addition and alteration project at St. Elizabeth Hospital in Granite City.

The addition consists of a new dietary wing and an ancillary wing which will house offices, a dining area, X-ray laboratories, maintenance shops, exam rooms, a print shop and central stores. There will also be remodeling in laboratory areas. Ralph Korte Construction Co. will be doing the general construction work as a sub-contractor. This will be the third job the firm has handled at the hospital, the new five-story parking structure and a power plant being the other two.

This will also be the final phase of an \$18 million expansion and modernization program in progress at the hospital, Korte said.

Completion of the project is expected by September 1980, he added. DEB Associates, Inc., of St. Louis is the architect, Jerry Deininger of RKC is the field superintendent and Tim Davis is the project manager.

Sgt. Angeloff sees fire, saves 2 lives

With the Illinois State Police for 28 years, Sgt. Cleo Angeloff, 1749 Poplar St., Granite City, is being praised for alertness and heroism last week.

He was in the right place at the right time early Sunday morning, Aug. 20.

The veteran officer was "extra-observant in noting a potential disaster," officials comment.

Angeloff saved the lives of a 47-year-old woman and her 18-month-old grandson.

Both were in a two-room apartment at 2106 Vandalla, Collinsville, when a couch caught fire and filled the home with smoke.

Enter Sgt. Angeloff; he drove by the apartment building at 6:27 a.m. on his way to serve as day-shift operations sergeant at District 11 headquarters in Maryville.

Smoke was spewing out of an exhaust fan vent from Patricia Massa's apartment.

From outside the apartment, he could hear the baby crying. He broke through the screen door to get access to the child.

Spanky Robinson, who was sleeping in the main room, and the grandmother, asleep in the bedroom.

With the assistance of an unidentified passerby and through "very, very thick smoke," Angeloff moved both of them to safety.

Although the fire was con-

tained to the area around the couch, Collinsville Fire Chief David Tarrant said the smoke inhalation could easily have killed the occupants.

"National reports indicate more people die from the effects of the fire, such as smoke, than actually from the flames."

The chief had praise for Angeloff's quick action.

After he heard the child crying Angeloff said he knew what he had to do: "My only thought was to get to those people."

When the two residents were out, Angeloff used his car radio to summon the Collinsville Fire Department for an engine company and an ambulance to transport the victims to a hospital.

The sergeant then woke up the occupants of the other three apartments in the building, fearing the fire would spread.

When firemen arrived, Angeloff was pulling furniture from the smoke-filled apartment.

The fire was extinguished by a crew from the Northside firehouse.

The two were taken to Oliver C. Anderson Hospital and treated for smoke inhalation.

Angeloff declined treatment although he admits, "I got a pretty good shot of it (smoke) myself."

Chief Tarrant commented "The Collinsville Fire Department commends Illinois State Police Sgt. Angeloff for his successful rescue of a grandmother and child from a fire and smoke-filled apartment."

"Due to Sgt. Angeloff's quick action in entering the apartment and aiding the victims to safety, with the help of an unknown passerby, serious injuries or death were prevented."

A letter from Andre Gitcho, president of the First National Bank in Madison, read at the 73rd annual School Board meeting in Madison, announced that the bank has purchased the new board.

The new score board will be used on Friday, Sept. 8, at 7:30 p.m. when the Trojans play their first game of the 1978-79 season against Quincy Notre Dame.

In a personnel discussion, the board reviewed its existing policy requiring all non-certified employees to live within Madison School District. No changes were made in the policy.

Golden Circle seniors meet

Members of the Golden Age Circle of senior citizens at Kirkpatrick Homes met last week at Anchorage Homes to hear reports and take part in a social program.

Mrs. Ruby Corbitt, president, opened the meeting and members recited the Lord's Prayer and Pledge of Allegiance. Reports were presented by the secretary and treasurer.

Mrs. Corbitt reported that Caroline Lux is a hospital patient, suffering a broken arm. She said cards also had been sent to Mildred Mies, Frank Harris, Birdie Taton, Catherine Alexander, Celia Davis and Rose Elmore, members who were ill.

The president thanked members who have participated at the Senior Citizens Center during the summer season.

The group discussed plans for a trip by the Happy Group to Rockmore at Arthur, Ill. Persons interested in making the trip may call Alynia Seipel. The fee is \$20.50 per person.

Games were played and prizes were won by Clyde Myers, Vi Lindner, Lillian Gregory, Ruth Purkey, Minnie Kuschmi, Art Rankins and Art Lindner.

The next meeting will be a potluck luncheon. Members are to bring a covered dish and \$1, it was announced.

CITY TEMPLE CHURCH is the scene of the wedding of Mr. and Mrs. Mark Smiddy. The bride is the former Janet Phipps, daughter of Mr. and Mrs. Richard Phipps, Rural Route One, Granite City.

Smiddy-Phipps wedding at City Temple Church

Beneath an arch entwined with fresh flowers and vines, Miss Janet Phipps and Mark Smiddy were married in a double ring service Aug. 12, at City Temple Church.

The Rev. Eugene Cape performed the 1 o'clock afternoon ceremony, before an altar holding twin candelabra with burning tapers.

Cindy Dahm, soloist, sang "If... You Light Up My Life" and "The Lord's Prayer." Max Cox accompanied the singer at the organ and also performed The Wedding March.

The former Miss Phipps is a daughter of Mr. and Mrs. Richard Phipps, Rural Route One, Granite City.

Parents of the bridegroom are Mrs. Marilyn Smiddy, 300 Wilson Park Lane, and Phil Smiddy of Danville, Ill.

A reception was held in the church hall following the ceremony, and the couple left immediately afterward on a wedding trip to the Missouri Ozarks.

Upon their return, they will make their home in Granite City.

The bride selected a long white A-line gown of organza, inset at the waistline with

Chantilly. Lace was used lavishly on the bodice and trimmed the edge of the attached train. The sleeves had lace edged ruffles at the wrist and Chantilly lace was used to accent a deep flounce at the hemline.

She wore a Juliet cap of seed pearls and lace to hold in place a fingertip veil of Chantilly lace and illusion.

Her flowers were fashioned into a teardrop bouquet of white carnations and pink lace and illusion.

Her flowers were fashioned into a teardrop bouquet of white carnations and pink sweetheart roses.

Miss Judy Lassen was the maid of honor and Keith Smiddy, the groom's brother, served as best man.

The honor maid chose a pink chiffon frock with a ruffle hooped skirt. The halter-style bodice was draped with a chiffon capelet.

She wore a large picture hat, enhanced with pink ribbons, and she held a bouquet of pink carnations.

For her daughter's wedding, Mrs. Phipps appeared in a long gown of polyester in aqua blue. The bodice had a high neck and

St. Peter's scene of McCoy-Lund ceremony

Christine M. Lund of Gainesville, Mo., became the bride of Louis McCoy III, son of Mr. and Mrs. Louis McCoy Jr., 1005 Greenwood St., Madison, in a double ring ceremony at St. Peter Evangelical United Church of Christ.

The couple repeated their wedding vows before the Rev. William Chrystal, pastor, at 7:30 in the evening of June 24.

Bouquets of summer blossoms and burning tapers in candelabra decorated the altar. The center aisle of the church was carpeted in white.

The candles were lighted by Miss Barbara Lund of Gainesville, sister of the bride, and Miss Tammy McCoy, the groom's sister.

The bride is the daughter of Herbert D. Lund, 26 Cambridge Drive, and Mrs. Ernestine Lund of Gainesville, Mo.

Serving as matron of honor was Mrs. Gaye Frazier. Greg Bergiel was best man.

Mike Blankenship, an uncle of the groom, and Dave Partee were the ushers.

Created of organza and Alencon lace, the bridal gown was designed with sheer bishop sleeves, cuffed in lace at the wrists.

The soft folds of the long skirt

swept into a chapel train, and a Juliet cap of Alencon lace secured her hair-length veil of imported bridal illusion.

She carried an arrangement of white daisies and baby's breath, intermingled with foliage.

The honor attendant chose a full-length gown of blue floral print, fashioned with narrow white lace, edging the short sleeves and oval neckline.

Her bouquet consisted of white daisies and baby's breath, with blue ribbon streamers.

More than 200 guests greeted the newlyweds at a reception held in St. Peter's Fellowship Hall, immediately after the service.

The former Miss Lund is a 1978 graduate of Gainesville High School.

Her husband was graduated in 1976 from Assumption High School, East St. Louis, and is employed by The Purdy Company in Madison.

NEWLYWEDS. Mr. and Mrs. Mark W. LaRose, whose marriage was solemnized at St. John United Church of Christ. The bride is the former Tina L. Miller, daughter of Mrs. Sylvia Miller of Fla., and Bob Miller of Mount Vernon, Ill.

Tina Miller becomes bride of Mark LaRose

In a double ring ceremony at 6 o'clock in the evening, Tina L. Miller and Mark W. LaRose were married at St. John United Church of Christ. The Rev. Shelly Doyle officiated at the Aug. 5 service and heard the couple make their wedding vows before an altar banked with fresh summer blossoms and lighted tapers up branched candelabra. The bride is the daughter of Mrs. Sylvia Miller of Fort Lauderdale, Fla., and Bob Miller of Mount Vernon, Ill. The bridegroom's parents, Mr. and Mrs. Arthur C. LaRose, reside at 160 Tennessee Ave. Miss Lee Ann Miller was the honor maid and Miss Kelli L. Miller was bridesmaid. Both are sisters of the bride. Phillip L. LaRose and David Turcott, both brothers of the groom, served as best man and groomsmen, respectively. Seating the guests were Marty D. Miller and Bobby E. Miller. For her wedding, the bride chose an A-line gown of organza with Cluny lace and seed pearls embellishing the bodice. The high neckline was trimmed in Cluny lace and the angel wing sleeves were bordered with lace around the edges. The slightly full skirt draped softly to the hemline, terminating in a chapel train at the back of the gown. The train was outlined with Cluny lace floral motifs. A fingertip veil of bridal illusion, edged with lace, was attached to a Juliet cap of Cluny. She carried a dozen long stem yellow roses. The honor attendant and bridesmaid were in identical frocks of mint green polyester designed in an A-line style. Their long dresses were worn with floral print capes, trimmed in white Alecon lace. Both gowns were designed and made by the bride and her sister, Lee Ann. Holly E. Miller and Janine M. Miller served as candelabra and attended the guest book. Both wore long mint green and floral print dresses, accented with white lace. Mrs. Miller selected a light brown polyester frock with a pleated bodice, three-quarter sleeves and a long skirt in a cafe shade. The groom's mother chose an ivory polyester dress with a lace bodice, round neckline, braided belt and a long pleated skirt. The groom's parents hosted a rehearsal dinner party at their home the evening before the wedding. The reception was given after the ceremony at the VFW Hall in Granite City. The former Miss Miller is employed at the Colonades Nursing Home. Her husband works at Nestle Co. plant. The couple is now at home in Granite City.

Fair Oaks Jr. Garden Club awards ribbons

Members of the Fair Oaks Junior Garden Club presented first-place blue ribbons last week during a meeting at Tower Lake at Southern Illinois University at Edwardsville.

The ribbons were presented as the result of judging in a club show held during June.

Ribbons were presented to Monica Michelle, Melissa McAmish, Jennifer and Mary Griffith, Bess Allen, Jill Joel and Julie Donley.

The club members enjoyed swimming and a luncheon. In addition to those named, those present included Mrs. Marilyn Griffith, Mrs. Pat McAmish and Judy Donley.

MR. MRS. THOMAS W. BOYD. The bride is the former Vicki Lynn Smith, daughter of Mr. and Mrs. Cleveland M. Smith, 2805 Willow Ave. They were married at Sacred Heart Catholic Church.

Boyd-Smith ceremony at Sacred Heart Church

Urns holding rainbow colored flowers and greenery, with ferns, palms and burning candles at the altar and white satin bows marking the pews, created the setting for the marriage of Miss Vicki Lynn Smith and Thomas William Boyd at Sacred Heart Church. The Rev. James Newman officiated at the double ring ceremony at 2 o'clock in the afternoon of Aug. 12.

A program of organ music was played by Miss Susan Beasley, who also accompanied the soloist, Bill Harrison, as he sang, "If I Love You," "The Wedding Song" and "The Lord's Prayer."

The bride is the daughter of Mr. and Mrs. Cleveland M. Smith, 2805 Willow Ave. The bridegroom's parents, Mr. and Mrs. William Boyd, now live in Dover, Tenn. They formerly resided at 2400 State St.

Janet O'Dell served as honor attendant, with Janice Baker, Kim O'Dell, Renee Chenevert and Sandy Baker as bridesmaids.

The flower girls were Diane, Sheila and Christy Wrigley and the ringbearers were Matthew and Bill Alexander.

Serving the groom as best man was Charles Parmley. John Boyd, brother of the groom, Jeff Cruise, Stan Myers and Craig Brawley were groomsmen.

The couple will be married Oct. 7 at 6:30 p.m. at the Calvary Temple Pentecostal Church, U.S. Route 64, South, Murray. A reception will follow in the church fellowship hall.

OCTOBER WEDDING plans are being announced with the engagement of Miss Mary Linda Pace and Clifton David Emerson. The bride-elect's parents are Mrs. Lillie Mae Pace and J. D. Pace, both of Murray, Ky., formerly of Granite City. The ceremony will take place in Murray on Oct. 7.

silhouette. The bodice of Venice lace was made with a Queen Anne neckline, edged with a Cluny lace ruffle. The bishop sleeves of Venice lace were gathered into Cluny lace cuffs, edged with a narrow ruffle.

Two rows of Cluny edged the back and front of the gown and matching lace formed a ruffle, bordering the chapel train.

Her mantilla veil, trimmed in lace, was held in place by a Juliet cap of Cluny and seed pearls. She carried a hem-long cascade of yellow roses, baby breath, daisies and variegated foliage, trailing bridal smilex and Chantilly lace streamers.

In the rainbow colors of maize, coral, pink, blue and green, the bridal attendants wore identical frocks of chiffon. The bridesmaids had wide scoop necklines, low at the back, with a ruffle flounce overlay.

Each maid wore daisies, baby breath and greenery in her hair and carried a bouquet of white and tinted daisies and baby breath, looped with satin streamers and coordinated to match the color of her frock.

The flower girls held baskets of white and yellow daisies and baby's breath and satin streamers.

They wore long yellow dresses with pointed skirt overlays, flocked with delicate white tulips. Deep lace formed a yoke on the bodice, with ruffle stand-up collars and brief puff sleeves.

The mother of the bride selected an Empire gown of mint green chiffon, designed with a V neckline, pleated skirt and a chiffon capelet.

The bridegroom's mother chose a double knit polyester gown, Navy blue and white, made with an Empire waist, long sleeves and a round neckline.

Both wore corsages of roses. An evening reception and dance were held at the VFW Hall, 2044 Washington Ave. Music was furnished by Gemini 4 Band from 6:30 p.m. until midnight.

The rehearsal dinner party was hosted at the new home of the bride and groom on Lincoln Avenue.

Immediately after the reception, the couple left on a wedding trip to the Lake of the Ozarks.

The former Miss Smith was graduated this year from Granite City High School South. Her husband graduated from South High School in 1975. He is employed as a machinist at East St. Louis Casting Co. and is a member of Moose Lodge 272.

Attending the guest book were Kathy Toveary and Debbie Richardson.

TEAM ACTION To inform the public about research into the problem of dwarfism is explained to 6-year-old Philip Stucker of Granite City by Mike Shannon of the St. Louis baseball Cardinals and Jan Wohlschlaeger, a nurse. The trio will spearhead the campaign during Human Growth Week Sept. 16-23. Philip has been selected as poster child for the week by the Greater St. Louis Chapter of the Human Growth Foundation which includes the Quad-City area.

GC boy is poster child for '78 Human Growth Week campaign

Philip Stucker, 6-year-old son of Mr. and Mrs. Philip Stucker, 3020 Edgewood Ave., has been selected as the 1978 poster child by the Greater St. Louis Chapter of Human Growth Foundation in a campaign to inform the people about growth problems during the 11th annual Human Growth Week Sept. 16-23.

Philip will join with Mike Shannon of the St. Louis baseball Cardinals and with Jan Wohlschlaeger, a nurse, in distributing information about dwarfism.

Philip is 33 inches tall and weighs 24 pounds. His height is equivalent to a 1½-year-old child. He is one of a half-million children afflicted with many types of growth problems. The cause of his short stature is unknown.

At birth Philip weighed six pounds, 15 ounces and was 16 inches tall. His problem was not diagnosed until he was 3 years old. He is now under care at St. Louis Children's Hospital Research Center.

Philip is in the first grade at Wilson School. He has two brothers, Billy, 14, and Guy, 4, and one sister, Lisa, 12. They are of average height.

Information on dwarfism may be obtained by calling the Human Growth Foundation at 1-314-429-6893, or 876-2628.

A proclamation setting the week of Sept. 16-23 as Human Growth Week in Granite City and urging residents to assist and support the cause was signed last week by Granite City Mayor Paul Schuler.

The proclamation said: "Whereas, There are as many as one half million children in the United States today with some sort of serious growth disorder that may result in dwarfism or extreme short stature; and,

POSTER CHILD for Human Growth Week, Philip Stucker, 6, of Granite City, is greeted by Mayor Paul Schuler as the mayor signed a proclamation setting the week of Sept. 16-23 as Human Growth Week in Granite City. Philip, who is 33 inches tall and weighs 24 pounds, represents the Greater St. Louis Human Growth Foundation in a campaign to inform the public about dwarfism.

Charged after disturbance
Julian G. Hernandez, 2, of Granite City, was charged with driving while his license was suspended, driving under the influence of liquor and two counts of battery after a disturbance in the parking lot of Rico's II Lounge on Nameoki Road Thursday.

Nakita Seba, St. Louis, alleged Hernandez' auto struck her car on the lot and Hernandez then struck her in the face, and tried to flee. Michael Knutson, Florissant, Mo., aided in catching the fleeing man and alleged he was kicked. Hernandez was detained by witnesses until police arrived.

MR. & MRS. JACK JONES JR. They were married at Central Christian Church. The bride is the former Lisa Ann Smith, daughter of Mr. and Mrs. Russell (Ruth) Smith, 2025 Clark Ave.

Jones-Smith nuptials at Central Christian

Slender burning tapers in arched candelabra illuminated the sanctuary of Central Christian Church for the wedding of Lisa Ann Smith and Jack Gale Jones Jr.

The Rev. Dennis Rutledge performed the 7 o'clock evening ceremony on Aug. 12, with the couple exchanging vows and rings.

The former Miss Smith is a daughter of Mr. and Mrs. Russell (Ruth) Smith, 2025 Clark Ave.

The bridegroom is a son of Mrs. Shirley Jones, 621 Ashland Ave. Mitchell, and the late Jack G. Jones Sr.

An extensive program of wedding music was presented by Larry Heagy and Kelly Cottrell, who provided their own accompaniment on guitars.

Selections included "We've Only Just Begun," "Sunrise-Sunset," "Will You Still Love Me," "Wedding Song," "Follow Me" and "The Lord's Prayer."

Prior to the service, the artists performed "My Sweet Lady," "Morning Bells Will Chime," "Annie's Song," "Theme from Love Story" and "If."

Organist Cindy Johnson played The Wedding March.

For her wedding day, the bride chose an A-line gown of white organza and silk venise lace.

The venise lace bodice was created on empire lines. The high neckline was bordered with silk lace trim, and two ruffles formed the brief cap sleeves.

Venise lace motifs were applied on the front and back of the gown and a narrow ruffle of Venise lace traced the hemline.

The chapel train was lace trimmed and her circular veil of imported illusion was fingertip in length and adorned with scattered motifs of Venise lace.

She carried a bouquet of pink and cranberry silk roses, intermingled with baby's breath and trailing pink satin streamers.

Cindy Smith was maid of honor and the bridesmaids were Lisa Steel, Beth Wyatt, Mary Zotti, Mariann Garino and Shirley Byrum, sister of the groom.

Kelly Green and Scott Byrum, a nephew of the groom, were flower girl and ring bearer, respectively.

"The bridegroom chose Carl Dake as best man and Don Woods, Craig Caldwell, Kenny Dake, Randy Myers and Scott Smith, the bride's brother, as his groomsmen.

Mark Rench and Leland Mathis headed the corps of ushers.

The honor maid and attendants were dressed alike in floral pink chiffon gowns made with scoop necklines and inset belts at the waist.

The long skirts were fashioned with a ruffled flounce gathered from the front to the back of the dresses and ending in a bow. Ruffle flounces also created the sleeves.

In their hair they wore halos of baby breath and each held a bouquet of pink roses and baby breath.

The flower girl's frock was identical in style to the adult attendants' dresses, only in solid pink. She carried a white silk basket, filled with delicate rose petals.

Mrs. Smith chose a polyester gown in mint green made in Empire style with a V-neckline. A chiffon float with a floral design at the front was worn over the gown.

The groom's mother chose a light blue gown with a chiffon float over the bodice.

More than 600 guests greeted the newly married couple at a reception at the Croatian Home, Madison.

Becky Cooper was in charge of the guest book and registered friends and relatives from the local area and Jonesboro, Murphysboro, Bethalto, Alton, St. Louis and St. Louis County.

Becky Reeder and Linda Crawford served as candelights at the service.

A rehearsal dinner party was hosted at Charlie's Restaurant on the evening before the wedding.

The newlyweds departed after the reception for a wedding trip to Table Rock Lake, Mo. They are now at home in Granite City.

The former Miss Smith is a 1977 graduate of Granite City High School South, where she was Homecoming Queen. She is a past honored queen of Job's Daughters and a former DeMolay "sweetheart."

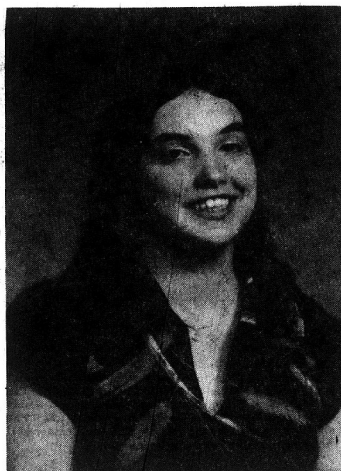

Presently, she is an office employee at Tober Saifer Industries, St. Louis.

Her husband was a member of the first graduating class at Granite City High North in 1974. He is employed as a welder by National Marine Services in Wood River.

TO MARRY, Miss Beverly Davis, the fiancée of Michael Taylor of Granite City. Their engagement and forthcoming marriage are being announced by the bride-to-be's mother, Mrs. Gloria Davis, 2120 Ann Ave., St. Louis. An Oct. 7 wedding date has been set.

Earth's movements will be measured at subsidence sites

Engineers at SIUE will begin measuring the earth's movements at three mine subsidence sites in Maryville and Belleville under a \$80,000 project associated with the Illinois Geological Survey (IGS).

Sтивен J. Hanna, engineering and technology professor, said SIUE investigators will establish a control net at mine sites in Maryville and at Canterbury Manor and 70th Street in Belleville.

The earth's horizontal and vertical movements will be monitored over a two-year period.

Hanna and Daniel N. Cole, associate professor of engineering and technology, will work under Project Director Paul DuMontelle, coordinator of environmental geology for IGS.

The SIUE portion of the project is a small part of the IGS project for geological studies associated with the U.S. Bureau of Mines subsidence control project in Madison and

St. Clair Counties.

"It is strictly investigative work," Hanna said, "limited to measuring the movements and recording the information for the survey."

"The university is interested in the work because it will allow students to be involved in design and development of the project and to monitor the information."

"They will get valuable field experience through this."

"After preliminary studies are completed, students will assist in locating and installing two kinds of probes at each site, one at a depth of 30 feet and the second just below the frost line at three feet."

"The system will be tied to existing probes established by the IGS and monitored for movement," he explained, "using an electronic distance meter and levels."

"Knowing if anything has moved—and how much—will be of great assistance to planners in the subsidence and backfill project."

Taylor-Davis betrothal

The newly engaged couple and their families are completing plans for an Oct. 7 wedding at the First Unity Church in St. Louis.

Parents of the prospective bridegroom are Mr. and Mrs. George Taylor, 2633 Dale Ave. Miss Davis is a 1978 graduate of McKinley High School, St. Louis, where she was a member of the National Honor Society. She is employed as a typist for the City of St. Louis.

Her fiancé is a 1975 honor graduate of Granite City High School South and Belleville Area College. He is employed in restaurant management with the Jack-In-The-Box chain in St. Louis.

Oil painting course offered

A new non-credit course in oil painting will begin Wednesday and run for 16 weeks from 7 p.m. until 9:45 p.m. at the Granite City High School South. Classes will be held each Wednesday night.

Tuition for the Belleville Area College sponsored course is \$36. More information may be obtained by telephoning Patty Evans at 876-7570.

Central Hardware in fourth year here

Largest in size — 66,000 square feet of floor space and storage — among the Central Hardware stores in this region, the Granite City store is a busy place in this late summer and early fall shopping season, as it has been ever since opening here in February 1975.

Open from 9 a.m. to 9:30 p.m. Monday through Saturday and from 11 a.m. to 6 p.m. Sunday, the store emphasizes its wide selection and quantity of hardware items.

tools, electrical supplies, plumbing, lumber, paint, garden supplies, furniture and major appliances. All departments are on one floor; no steps or elevators are necessary.

Central Hardware operates in Missouri and Illinois — plus such locations as Indianapolis, Ind., Memphis, Tenn., and Cincinnati, Ohio. A fourth store is being opened in Cincinnati this fall for a total of 25 in the five states.

A big plus for the Granite City store is the fact that Central Hardware operates its own warehouse in the heart of the St. Louis metropolitan area, assuring prompt availability of the full range of hardware and other items.

Shopping baskets permit self-serve shopping and almost instant provision of a particular product that an individual may have in mind.

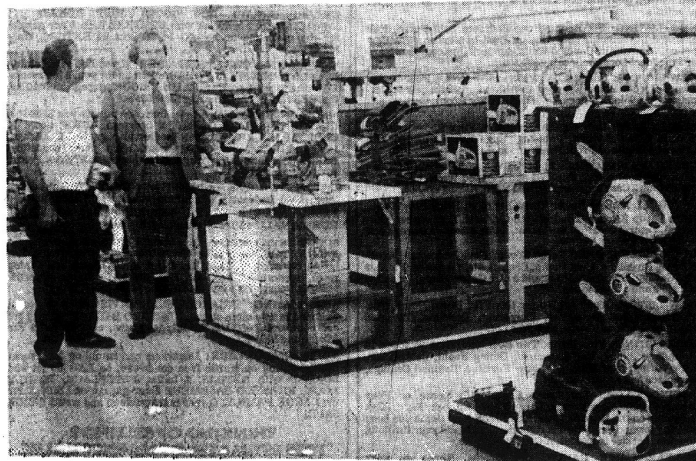

But a big staff of store employees, whose attire includes orange vests and smocks,

also is on hand to answer a wide variety of questions, to suggest shopping solutions and to locate needed equipment, fittings, parts, gadgets and tools. "Browsing" to compare the wide selection of merchandise also is encouraged.

Dimensions of Granite City's Central Hardware store are impressive, but through departmental procedures each category of goods is dealt with one-on-one, with every shopper who desires help given quick, attentive, friendly service.

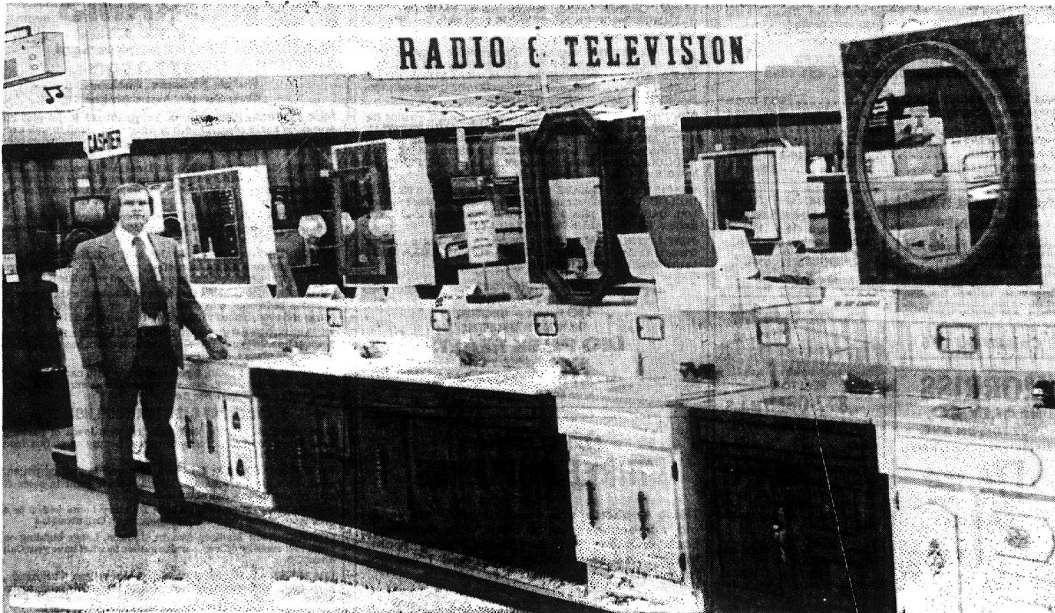

SUCCESSFUL TEST conducted at the local Central Hardware store has led to similar displays of wall paneling at other stores. It was decided to experiment with devoting extra space in order to show varied wall patterns in their full dimensions. Goal is to make it easier for do-it-yourself enthusiasts to visualize the potential finished appearance of a room in their home.

EVERYTHING FROM SCOOP TO NUTS — including the kitchen sink. It's not only a company slogan by a reality at Central Hardware's Granite City store. Store Manager Gary R. Johnson (second from left)

is shown with a customer at a drill press suitable for a home workshop. In the right foreground are varied types and sizes of chain saws.

VANITIES AND MAJOR APPLIANCES are only part of the seemingly endless goods and services available at the Central Hardware Store in Granite City's Crossroads Shopping Center. Pictured is store manager Gary R. Johnson. Other departments feature

hardware, tools, electrical supplies, plumbing, lumber, paint, garden items, furniture, housewares and much more.

DAV planning flower sales Sept. 11-16

Plans for the annual Forget-Me-Not drive by Disabled Veterans were finalized at a meeting of Quad-City Chapter 53 last week. Commander Robert S. Kennerly presided. Forget-Me-Nots will be sold Sept. 11 to 16.

The members also discussed plans to attend a ball game at Busch Stadium for children of the area during September.

The DAV members also

created two additional scholarships for a total of three awarded by the chapter. Winners are to be announced soon, Kennerly said.

Kennerly and Joe Hefferly, adjutant, announced they will attend the executive state committee meeting in Joliet, Ill., Sept. 17.

HOST FAMILIES. Lion Japanese exchange students are guests of Mr. and Mrs. Harold Stoker of Pontoon Beach and Mr. and Mrs. Mark Click of Granite City. Left to right, front row, are Rita Click, Takami Kato, Masahide Baba and Victor Stoker. Second row, Mark Click, Robert

Stoker, Natalie Stoker, Mrs. Mabel Stoker and Harold Stoker. The two Japanese students, who have been visiting in Illinois cities for the past six weeks, begin their homeward trip Friday.

PRESENT HOME CLUB BANNERS. Takami Kato and Masahide Baba, second and third from right, present miniature home club banners from Lions clubs in Japan that sent them to Illinois, to presidents of Quad-City Lions clubs that are serving as the host clubs. Left to right, Jim Miller Jr., Granite City Lions president; Madison Lions President Tony Anselmo;

Pontoon Beach Lions President Larry J. McKee; Kato, Baba and Lion Zone Chairman Donald D. Patrick. The two visitors have spent six weeks in Illinois as part of the Lions International youth exchange program. Takami Kato's home club is the Toyama Minami Lions Club and Masahide Baba's club is the Chikugo Japan Lions Club.

Host Japanese students

Two Japanese college students were hosted by the local Lions Clubs of Granite City, Madison, and Pontoon Beach as a part of the Lions International Youth Exchange Program.

The two visitors from Japan arrived in the Quad-Cities on Sunday, Aug. 13, and stayed until Friday, Aug. 25. Lion Zone Chairman Donald D. Patrick has been in charge of making the arrangements for the two visitors.

The male student, Masahide Baba, 21, a senior at Tokyo University, majoring in sociology, resided with Harold and Mabel Stoker, 3801 Lake Drive, Pontoon Beach, during his two-week visit in the Quad-City area. Masahide is from the city of Chikugo, Japan. The female student, Takami Kato, 21, is a junior at Toyama University majoring in elementary education. Takami

stayed with Mark and Rita Click, 81 Parktown Drive, Granite City.

The Clicks are the daughter and son-in-law of the Stokers. The visitors remained for a total of six weeks in Illinois, having earlier spent two weeks in Loraine, Ill., as guests of the Loraine Lions Club, and two weeks in Hettick, Ill., hosted by the nearby Palmyra, Ill., Lions Club.

The couple returned to Japan on Friday flying out of Lambert Field in St. Louis. The Lions International Youth Exchange Program is gaining interest throughout the world of Lionism.

A few years ago, a committee was appointed by the Lions International board of directors to inquire into a program which would permit the interchange of young people between countries in the world of Lionism.

The committee found that

4 new traffic stops

Four new traffic stops were created by Granite City Council members last week.

In ordinances enacted by the aldermen, a three-way traffic stop was created at Hodges Avenue and Charles Street requiring motorists to stop in eastbound traffic before entering Charles Street, and north and southbound vehicles in Charles Street to stop before entering Hodges.

Another new stop was established at State and 27th streets for vehicles southwesterly bound on State Street, which must stop before entering 27th Street.

A traffic stop also was created at Garfield and Clark avenues. Southbound traffic on Garfield must now stop before entering Clark.

'CURSE OF THE STARVING CLASS' TO OPEN SEASON
The Midwest premiere of Sam Shepard's "Curse of the Starving Class" opens the Studio Theater's season at the Loretto-Hilton Repertory Theater, 130 Edgar Road. The play about an archetypal American family will open Sept. 16, after three preview performances Sept. 13-14-15, and will run through Oct. 7.

Commissioned by Joseph Papp's New York Shakespeare Festival, the play received the Obie Award for best new American play in 1977. It has been performed in London and New York, and will be produced at Chicago's Goodman Theater next year. Chosen to open the season here because of its intense nature, it is a melodrama expressing the pulls and tugs of family relationships with "savagely naturalism and tension-breaking humor," critics say.

THE OPEN UNIVERSITY IS FOR YOU!

The who?

The Open University Project is part of the regular academic offering at Southern Illinois University at Edwardsville. It provides a means by which students who for whatever reason cannot attend conventional classes may gain regular college credit leading to a degree.

Why is it for me?

It allows you as a working and/or home-making adult to work toward a baccalaureate degree at SIUE without the necessity of a complete change in your lifestyle.

How do I find out more?

Fill out the coupon below and send it in.

SIUE has something to offer you!

K mart AUTOMOTIVE SERVICE POLICY

K mart's policy is to perform only needed services. For your benefit, K mart auto services are necessarily conditioned on K mart's right to decline any service, whether advertised or not, where a car has related deteriorated or worn parts which create or continue an unsatisfactory or unsafe driving condition, unless the customer gives K mart a written waiver of replacement of such needed parts. Needed brake system parts may not be waived by customer. K mart may in its judgement refuse to perform any partial brake job where your safety is at stake.
